English 

Tagalog 

### PROFILE

I'm a web developer specializing in dynamic and static websites, with a focus on accessibility, SEO, and performance. I collaborate with designers to ensure user-friendly interfaces and with fellow developers to create websites. Committed to continuous growth, I transitioned from HTML to UI front-end roles and am now excelling as a web developer for six months.

### WORK EXPERIENCE

#### Web Developer

Sept 2023 - Present

Central One Bataan, Ph Inc.

- My task is to clone a website and enhance my front-end skills. Collaborate with other teams using Git and GitHub.
- I independently coded a static blog and a dynamic website, utilizing a colleague's code as a reference. The dynamic site included CMS features, login, and CRUD functionality. Backend: Node.js; Database: MongoDB.
- Tools/Software used:** WordPress, GraphQL, NextJS, Bootstrap, Postman, NodeJS, Git, MongoDB, Github, and Vercel.

#### HTML Developer

Sept 2023

Business Marketing Engine

- Cooperating with designers and Senior developers, I focused on HTML Development, understood the layout, and converted it to HTML code.
- Tools/Software used:** HTML, CSS. Bootstrap, Git, and Github.

#### Front-end UI Developer Intern

July - Sept 2023

- Cooperating with Designers and fellow Developers, I focused on front end, Using fetched data to display on front end.
- Tools/Software used:** NextJS, SCSS, Postman, Redux, GitLab, and Git.

### PROJECT EXPERIENCE

#### CMS Website - Fullstack

- I independently coded a static blog and a dynamic website, utilizing a colleague's code as a reference. The dynamic site included CMS features, login, and CRUD functionality. Backend: Node.js; Database: MongoDB.

#### Portfolio - WordPress

- Created a personal website for professional electrician, services, projects, and other pages.
- Tools/Software used:** WordPress, Photoshop, Elementor, and Starter Template.

#### Business Website - Frontend

- with the Check Availability function for the booking system, to interact with the user with the service. Developed and launched a start-up website for a resort, driving customer engagement and revenue growth.
